Iowa Public Television will host a series of free ICN sessions for students, teachers and administrators, on the topic of disability awareness during Disability History Week. Included in the sessions will be a session with Tyler Greene who is an Iowa student. All students should have the opportunity to meet Tyler as he talks about "ability awareness" during his session. We will also show his DVD during the session. Join Tyler and many more great presenters during this important week by signing up for a session on the k-12 calendar at http://www3.iptv.org/iowa_database/cal-default.cfm?&month=10-14-2007
